

DIRECTIONS FOR USE

Restraints: DO NOT USE on lactating cows which are producing or may in the future produce milk or milk products for human consumption. Remove tags prior to slaughter.

Contraindications: This product is contraindicated for use on calves less than 16 weeks of age or less than 50kg bodyweight.

Animal and Pest: Beef Cattle - Buffalo Flies (*Haematobia irritans exigua*)

State: All States and Territories

Rate: Two Tags per animal (1 on each ear).

General Indications: Apply only when fly numbers exceed acceptable levels. Removal of tags after 12 weeks will ensure that Buffalo Fly populations are not exposed to sublethal doses, which may increase the chance of resistance. Remove tags with tag removal knife. **The level and duration of control may be reduced under high fly pressure.** The whole herd is to be treated concurrently.

WITHHOLDING PERIOD: Meat: Nil, Milk: DO NOT USE on lactating cows which are producing or may in the future produce milk or milk products for human consumption.

TRADE ADVICE

EXPORT SLAUGHTER INTERVAL (ESI): DO NOT slaughter for export less than 42 days after application.

The ESI on this label was current at the time of label approval. Before using this product confirm the ESI from the registrant on (07) 3277 7070 or the APVMA website (www.apvma.gov.au/residues/ESI.shtml)

Y-TEX Agressor Insecticidal Cattle Ear Tags are specifically recommended for use in a rotation program with organophosphate (OP) tags (e.g. WARRIOR or OPTimizer) and synthetic pyrethroid (PY) tags (e.g. PYthon or PYthon Maxima) for the control of Buffalo Fly. A 3 year program is currently recommended with use of **Y-TEX** Agressor for 1 year and OP tags for the next year and PY tags for the following year and then repeat this three year cycle.

GENERAL INSTRUCTION: AGRESSOR Cattle Ear Tags will give effective control of Buffalo Flies if used regularly on all animals in the group. The treatment regime with a strategic rotation program will reduce the potential for insecticide resistance to develop in Buffalo Flies.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER CONTRARY TO THIS LABEL, UNLESS AUTHORIZED UNDER APPROPRIATE LEGISLATION.

Application: Apply tags with the **Y-TEX** Ultra Tagger® (figures 1 to 4)

FIGURE 1

Seat male button firmly on pin, press down and give a slight twist.

FIGURE 2

Place female tag under clip. Collar on tag must be pointing away from pin.

FIGURE 3

Position applicator over ear and squeeze handles together. The ideal position for male stud is between the second and third radial cartilage as shown.

FIGURE 4

Squeeze handles of applicator together. When properly positioned, the tag should hang as shown.

Protection of Livestock, Wildlife, Fish, Crustaceans and the Environment

Abamectin is extremely toxic to aquatic species. Do not contaminate dams, rivers, streams or other waterways with spent or unspent tags or containers.

DISPOSAL: Destroy empty containers by crushing them. Dispose of containers and spent tags at a local authority landfill that does not burn its refuse. If there is no local authority landfill readily available in your area, bury the containers and spent tags at a depth of 500mm or more at an approved disposal site. DO NOT burn empty containers or spent tags.

SAFETY DIRECTIONS

Harmful if sucked. When using the product wear rubber gloves. Wash hands after use.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131 126. If skin contact occurs, remove contaminated clothing and wash skin thoroughly.

Material Information Data Sheets: If additional hazard information is required, refer to the Material Safety Data Sheet. For a copy, phone (02) 6282 5325 or go to www.flytags.com.

STORAGE: Store below 25°C (Air Conditioning). Store in original container in a dry, cool place. DO NOT store in direct sunlight.

NOTICE OF WARRANTY:

Manufacturer's Warranty and Exclusion of Liability: This Product as supplied is of a high grade and believed to be suitable for any purpose for which it is expressly recommended and must be used in accordance with the direction for use given on the label. No responsibility is accepted in respect of this product, save those non-excludable conditions implied by any Federal and State legislation or law of a territory.
